

Financial assistance is available to qualifying uninsured and underinsured patients receiving care at Mountrail County Medical Center. If you are uninsured, you will receive a discount of 20 percent if you call and notify the facility. If you receive a medically necessary service your insurance does not cover, you may receive a discount similar to the discount received by uninsured patients. If you enter into a pre-negotiated agreement with MCMC for payment of services, you will not qualify for financial assistance under this policy.

If you are a North Dakota resident, as defined in the Mountrail County Medical Center Financial Assistance Policy, and receive care via emergency department, direct admission from a physician's office, or transfer from another hospital, you may be eligible to receive financial assistance if paying your medical bills is a financial hardship and you apply. If you meet the Federal Poverty Level (FPL) criteria below, you may be eligible for financial assistance up to the full amount of your medical bill.
