NOW PROVIDING BASIC CARE IN STANLEY, ND

WHAT IS BASIC CARE?

Supportive nursing care in a nursing home setting for individuals who need help with:

- Meals
- Medication assistance
- Light bathing assistance
- Social activities

Individuals in Basic Care must be able to:

- *Provide their own bathing cares*
- *Manage their own bathroom cares*
- *Get up and down or in and out of bed/chairs independently*

MEDICAID INFORMATION

To determine if Basic Care might work for you, check out the BCAP Medicaid Criteria:
